

How To Add Guest Players to A Roster

NOTE: **Any player who is not a “primary” player of your official roster is considered a “guest player”. That means that “club pass” players who are already within your club but primarily rostered to a different team are considered to be “guest players” for the event.

Guest Player [RULES](#) for the 2025 Hempfield Fall Classic

- Once you have built, or cloned, your roster for the event within your team GotSport account, you can then begin to add guest players (up to 5) to your roster.
- For a player to be added to your roster that guest player must first register with the Hempfield Fall Classic as an official guest player by using their personal GotSport player account. The player(s) can accomplish this by logging into their account, selecting the Hempfield Fall Classic (Girls or Boys Weekend), and then the “register as a guest player” tab. They may also directly jump to that portal by using the following links:
 - Girls Player Registration: [CLICK HERE](#)
 - Boys Player Registration: [CLICK HERE](#)
- When a player has confirmed with you that they have officially registered with the event as a guest player and that they are “In the Guest Player Pool” for the Hempfield Fall Classic you can add them to your roster by following the below instructions...

1. Log into your GotSport Account at system.gotsport.com, and select Team Management

<input type="checkbox"/>	team test 2010			U16	Male
<input type="checkbox"/>	team test 2010			U10	Female
<input type="checkbox"/>	team test 2010			U12	Male

3. Select Team Registrations

The screenshot shows a web application window titled "team test 2010". At the top, there is a navigation bar with tabs: "Team", "Team Members", "Rosters", "Team Registrations" (which is highlighted with a red circle and a red arrow pointing to it), and "Messages". Below the navigation bar, there is a team profile section with a shield icon, the text "team test 2010", and buttons for "U13" and "Male". Below this, there is a form with various fields: "Name" (team test 2010), "Short Name", "GotSoccer Team ID", "Opta ID", "Competitive Level", "Gender" (Boys), "Age Group" (U13 (01/01/10)), "Sport" (Soccer), "Country", "Team Association" (Nevada), "Postal Code" (89102), "Logo" (Browse...), "Uniform Colors", "Uniform Description", "Away Uniform Colors", and "Away Uniform Description".

4. Select the Event. There may be a large number of events in your list, so you can search for the event you're looking for in the search bar. Be sure to carefully select the correct event.

The screenshot shows the "Team Registrations" section of the application. At the top, there is a search bar with the text "Search Event Name" and a green "Search" button. Below the search bar, there is a table with the following columns: "Event", "Age", "Gender", "Event Start Date", and "Rosters". The table contains one row with the following data: "City of Las Vegas Mayor's Cup International Tournament 2022", "U10", "Female", "2022-10-28", and a blue "Rosters" button. The "City of Las Vegas Mayor's Cup International Tournament 2022" text is circled in red, and a red arrow points to it from the left.

5. Select Athlete Pool. This will bring up the list of guest players.

- At the conclusion of this selection process the players you have chosen will now be on your roster for the Hempfield Fall Classic but there are further steps.
- You will now need to go back to your initial application, the Guest Player Passes PDF section, and upload a picture ID for any player you have selected.
- When you have built your roster, added guest players, and uploaded the PDF documents into the application we will be able to verify the players and approve them. Once players are approved, they will show up in your official event roster. They will then be eligible to participate in the Hempfield Fall Classic. Any player that is not showing up on the official roster is not “checked-in” and is not eligible to participate.

For additional help with this process please contact Brittney Jakobson via email at bjakobson@paclassics.org
