

PLAY RUGBY in 2020 with the PENN LEGACY/HEMPFIELD high school, middle school and junior teams

MISSION: To provide a dynamic Rugby program for boys and girls of various age groups to develop skills, ability and promote interest in the sport by linking them with certified coaching. Along with the rules of the game, technical skills, and tactical play, players are taught rugby ethics and the value of teamwork in a disciplined environment. The sport of Rugby offers competition, fun, friendship, and playing time. The game promotes self-esteem, pride and teamwork. It teaches goal setting, strategic thinking, and cooperation and develops leadership skills. As coaches, we will take the time to teach you the basics, find the right playing position to suit your physical size, get you fit and have you playing confidently and safely.
